(727) 595-4610 | WWW.STJEROMEONLINE.ORG

Dear parish family,

Thank you to those who have generously supported the Raise the Roof Project for our church roof. Our success to date is just a little over \$1,058,000. We are closing in on reaching our goal of \$1,400,000. This total will enable us to install a long-lasting metal roof with a new skylight. The sooner we get closer to our goal, the sooner we can lock in a vendor and start to order materials and get on the vendor's schedule. Over the past two years we have successfully found long-term solutions to other projects in the church including fixing the ring lights over the altar and repairing the red terrazzo floor. We are doing the same for this roof project.

St. Jerome has a long history of being a blessing to all who walk on our campus and walk through our doors to experience God's love and compassion. Completing this roof project for our church is about ensuring that the Lord will continue to touch the hearts of all who come to St. Jerome to worship, especially to celebrate the Sacraments. Once we get this project completed, we can start to tackle other needs such as updating the Parish Center bathrooms.

If you have yet to give, we invite you to. If you have already given, we thank you for your generosity and invite you to consider giving once more. To give, you may use the roof envelopes you receive in the mail. You may also use the roof envelopes in the envelope holders in the pews or at the end of the pews. To give online, you may use the QR code here in the bulletin or our online giving portal on our website. It will lead you to our "Raise the Roof Fund." **As an incentive, the Knights of Columbus have made a Five Thousand Dollar contribution and will match up to another five thousand dollars of all March donations to the Raise the Roof Fund. Thank you, Knights! Can you help us reach that match goal?**

Thank you for your continued dedication to our parish and mission. Let's each prayerfully discern what gift we can contribute, so we can rally to the finish line and finally... raise this roof!

Peace in Christ,
Chris McBride
Parish Manager

Landscaping Update - Fr. Sean Prayer Garden

To be transparent, the work done on the Fr. Sean Prayer Garden next to the church is being funded by donor dedication donations, not the parish operating fund. We are thankful to our generous donors who have helped us get where we are now. The area has been leveled and the statues and memorials have been safely stored in the parking lot next to the cottage. Our maintenance committee is working on redesigning a garden that is prayerful, beautiful, spacious, and easy to maintain. If you would like to contribute time or make a dedicated donation, please contact the office. Once it is complete then we will have a rededication. Thank you for your patience and understanding.

A LENTEN TRADITION!

OCIA Scrutinies

OC
IA

This year we have six Elect, who during this Lenten season, continue their process of formal initiation. This formalized initiation process takes place during the 10:45AM Mass where the Scrutinies take place. A set of three different scrutinies that centralize around the reality of sin and the salvation that we receive through God's mercy and grace. These Scrutinies will be celebrated after the homily on the third, fourth and fifth Sundays of Lent.

RAISE THE ROOF A solid, lasting future

RAISE THE ROOF UPDATE

As of January 31st, our roof fund is now sitting at \$1,059,714.88. We are blessed to have the Diocese be the financial record keepers of our campaign.

We are working hard towards the goal of **\$1.4 million.** Thanks for pledging today so we can quickly complete this much needed project and replace the Church roof.

Prior to starting our campaign, our Building and Maintenance Committee determined that replacing our shingled church roof with a metal roof was our best choice for several reasons. First, the warranty for a metal roof is at least 40 years, which is over double the lifespan of a shingle roof. Second, metal roofs withstand a category 4 hurricane with 150 mph winds and 180 mph gusts. Third, metal roofs have reflective properties making them energy efficient which can reduce cooling costs by as much as 25%.

As an incentive to help us quickly reach our goal, the Knights of Columbus have made a Five Thousand Dollar contribution and will match up to another five thousand dollars of all March donations to the Raise the Roof Fund! Can you help us reach that match?
