Stewardship is more than being a good manager of one's time, talents, and treasure. The discipline of biblical stewardship calls us to use all these gifts in the way the Lord desires: to employ them not for us, but for His glory. Thanks for sharing His gifts!

RAISE THE ROOF A solid, lasting future

RAISE THE ROOF: CURRENT STATUS

The proposed roof for the church building will be a standing seam metal roof that will provide a useful life in excess of forty years. One of the biggest benefits of standing seam roofing is the hidden fastener system it uses. The hidden (or concealed fasteners), refers to the clips, screws or nails being hidden from view on the installed standing seam roof. A key benefit of hidden fasteners is that the fastener is not puncturing the standing seam metal panel, nor is it exposed to weather which could cause them to fail over time. This usually means the standing seam metal roof has a higher level of protection from the elements, it will require less maintenance and it will provide a more attractive and appealing look for the standing seam roof.

Additionally, these gifts help you avoid the Medicare high income surcharge and can help to reduce taxes on your social security benefits. MAINTENANCE UPDATE:

Since the renovation of our church back in 2011, we have had issues with the red epoxy terrazzo floor in the church causing us to do patch work every couple of years. Currently, there are holes under the cones in the gathering space and a bubble has formed at the foot of the altar as seen in the pictures. This has occurred because the red color glass in the epoxy terrazzo caused the moisture vapor membrane to fail. Thus, causing the floor to fail. Unfortunately, the company that installed the terrazzo went out of business. Thankfully, Karcher Construction, the contractor for the renovation, helped us find Exclusive Surfaces who will carefully remove the red epoxy terrazzo and install red terrazzo without glass and with a moisture vapor membrane. This job will commence after Easter on Monday, April 10th. The church will be closed for 6-8 weeks so the job can be completed. During this time, daily Mass will be in the Holy Family Chapel and our weekend Masses will be in the Parish Center. We apologize for the inconvenience that this will cause. We thank you for your patience and understanding as we complete much needed maintenance in our church so it can be safe and feel like home for all.

Catechesis of the Good Shepherd (CGS) *Lent in the Atrium*

The children participating in faith formation within the Catechesis of the Good Shepherd atria are preparing for the feast of Easter along with the whole church as we journey through the season of Lent. The presentations that the children are experiencing bring them into fuller participation of the Liturgy. They have been laying out articles of the Mass including a child-sized chalice and paten on their model altar. They have been working with models of priestly vestments as they learn about Liturgical colors, and changing the prayer table as they ponder many of the parables Jesus Himself taught.

"Whoever receives one such child in my name receives me, and whoever receives me, receives not me but him who sent me." Mark 9:37
