FROM THE PARISH MANAGER - CHRIS MCBRIDE

Dear Brothers and Sisters:

Five weeks ago, we closed our church building at St. Jerome to cover the pews, music equipment, and art in order to replace the red terrazzo. It needed to be replaced due to improper mixing and a lack of moisture barrier underneath the terrazzo in certain areas. Thankfully, the white and purple terrazzo was mixed and prepped properly. Unfortunately, the red terrazzo has caused St. Jerome issues from the inception of the renovation over ten years ago. Since the renovation, St. Jerome has spent nearly twenty thousand dollars in repairs to patch areas of the red terrazzo. A couple of years ago, Fr. Tom noticed that the red terrazzo was beginning to crack and bubble more causing safety issues which were covered up by cones. He asked Deacon Cris, Rita Gianninoto, and me to investigate the red terrazzo and make suggestions on finding a solution. That started the long process which led us to where we are today. Between Fr. Tom, the finance council, Karcher Construction, and several key staff members, we decided that it was in the best interest of St. Jerome to permanently fix the red terrazzo, rather than continue to do patchwork repairs. This decision was confirmed when we found Exclusive Surfaces Inc. The owners, Martha and Vicente, impressed us with their knowledgeable, professional, and excellent communication.

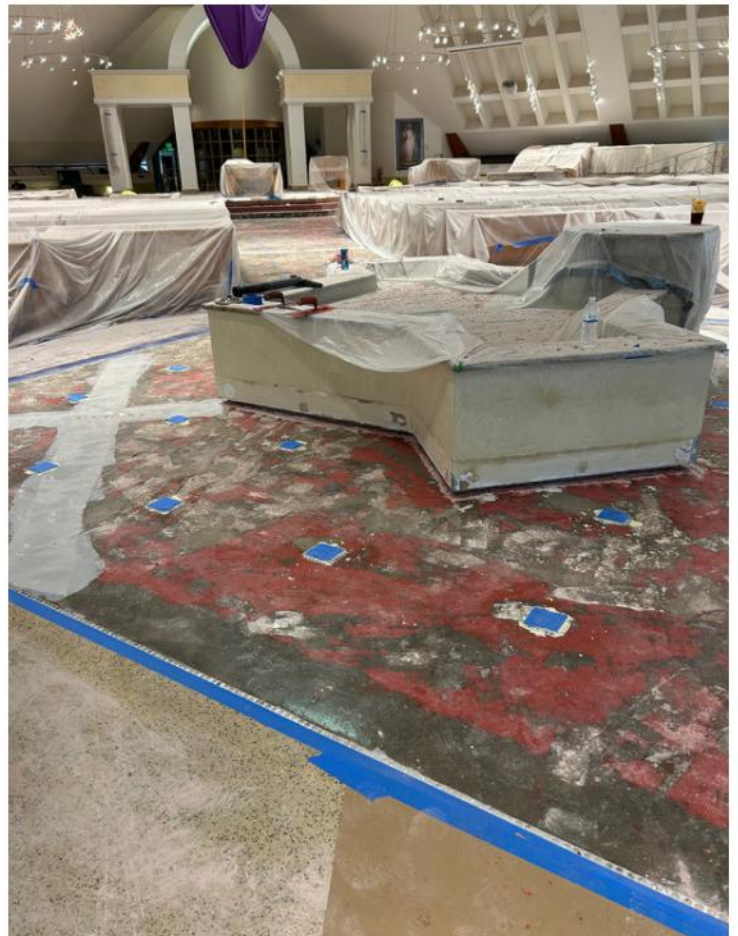

Since arriving last month, Exclusive Surfaces Inc. started by demolishing the red terrazzo in the Gathering Space and the Church. This took a couple of weeks. During the third week, they began prepping the Gathering Space for the terrazzo by putting down a moisture barrier. This took a couple of days to cure. Once it cured, they began putting the new terrazzo down. With the Gathering Space finished, they have been working this past week on prepping the area around the baptismal font and the main aisle. This is taking more time than the Gathering Space because they are setting new diamonds down the main aisle like before to keep the original exquisiteness of the design. They are making good progress and doing exceptional work. We remain on schedule to return to the Church by the end of July. Thank you for your patience as we work to make our campus safer for parishioners and visitors.

May God bless you!

Peace in Christ,

Chris McBride

THE MOST HOLY TRINITY

"Eternal Trinity...mystery deep as the sea, You could give me no greater gift than the gift of Yourself. For You are a fire ever burning and never consumed, which itself consumes all the selfish love that fills my being...." -St. Catherine of Siena

Stewardship

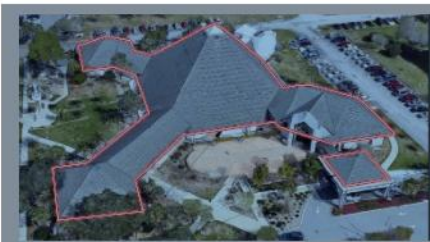

Stewardship is more than being a good manager of one's time, talents, and treasure. The discipline of biblical stewardship calls us to use all these gifts in the way the Lord desires: to employ them not for us, but for His glory. Thanks for sharing His gifts!

RAISE THE ROOF A solid, lasting future

RAISE THE ROOF: CURRENT STATUS

Balance as of April 30, 2023: \$829,693.51

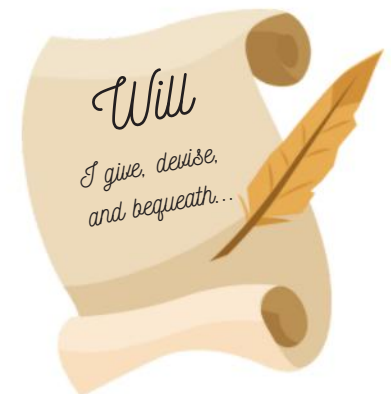

We are blessed to have the Diocese be the financial record keepers of our campaign.

The proposed roof for the church building will be a standing seam metal roof that will provide a useful life in excess of forty years. One of the biggest benefits of standing seam roofing is the hidden fastener system it uses. The hidden (or concealed fasteners), refers to the clips, screws or nails being hidden from view on the installed standing seam roof. A key benefit of hidden fasteners is not puncturing the standing seam metal panel itself, nor is it exposed to weather which could cause them to fail over time. This usually means the standing seam metal roof has a higher level of protection from the elements, will require less maintenance, and will provide a more attractive and appealing look for the standing seam roof.

We are working hard towards the goal of **\$1.4 million**. Thanks for pledging today so we can quickly complete this needed project!

Where there's a will...

Consider naming St. Jerome as the beneficiary of one of your life insurance policies, IRA accounts, or adding as a contingent beneficiary to an existing policy. Beneficiaries can also make Stock or Bond Gifts. For owners of a single IRA account, consider adding St. Jerome as a percentage beneficiary. For complete details, contact Chris McBride at the parish office.

The following is the proper method for naming St. Jerome in your will. Please ask your attorney to use the following terminology:

"I give, devise, and bequeath (amount, article, stock, etc.) to Gregory Parkes, as Bishop of the Diocese of St. Petersburg, and his successors in office, a Corporation Sole, for the use of St. Jerome Catholic Church, 10895 Hamlin Blvd., Largo, FL 33774."

Catholic Ministry Appeal

The Catholic Ministry Appeal supports so many of the ministries of our diocese, including seminarian formation, Catholic Charities, Pinellas Hope, La Clinica Guadalupeana, prison ministry, Catholic education, youth and young adult ministry, and so much more. That All May be Saved - A reflection on today's Gospel by Tommy Shultz of Diocesan

In today's Gospel we read perhaps the most quoted verse of Scripture, that "God so loved the world that he gave his only son, so that everyone who believes in him might not perish but might have eternal life." It's printed on t-shirts, coffee mugs, those fancy picture frames that everyone has hanging in their bathroom, and on pencils to hand out to youth groups.

I wonder if this is one of those verses that is so often quoted that it has lost some of its importance and just become a commonplace phrase. But today, on the Solemnity of the Most Holy Trinity, let's take some time to really dive deep into what this passage means. If we go all the way back to the beginning we see Adam and Eve in the garden. They have been given everything they could possibly desire, but through an act of disobedience and selfishness, they lose their inheritance. They want to be God and in trying to become like him, they turn their back on the very One they want to imitate.

God, of course, knew this was going to happen and had a plan from the beginning. The irony is that God wanted to allow all of us to share in his divine life. He wanted us to participate fully and intimately in his very divinity. This was the desire of Adam and Eve, to be more like God, but they tried to get there through disobedience, while Christ brings us there by his obedience to the Father. I value this quote from the Catechism (221) before that states, "God himself is an eternal exchange of love, Father, Son and Holy Spirit, and he has destined us to share in that exchange."

Adam and Eve lost their inheritance through disobedience. Jesus gave us our inheritance back by his obedience to the Father and offers to make us partakers of the divine life through the Holy Spirit. It's the ultimate comeback story. This is why John 3:16 is such an important verse. Not because it can sell more merchandise to the Christian world than any other verse, but because it tells us of God's plan right from the beginning to perfect us.

This perfection does not come without a cost. As Scripture says, "We have been purchased for a price." That price is the death and torture of Jesus Christ, who became man in order to allow us to fully participate in the life of the Trinity. What Adam and Eve did in the beginning, and what we continue to do today through our sin, can only be rectified by God stepping in and saving us. Today, let's rejoice that he has.
