For the strengthening of marriages and the family, may our homes truly be a “Domestic Church.”

For the healing of relationships and families, for those having marital difficulties.

For our parish of St. Jerome that we might be all that Jesus desires us to be.

For vocations to the priesthood and religious life from our parish.

For those who witness to Jesus through the single life and for all those called to the Sacrament of Marriage, and for those divorced or separated.

For the understanding that Human life must be respected and protected absolutely from the moment of conception. From the first moment of his existence, a human being must be recognized as having the rights of a person - among which is the inviolable right of every innocent being to life.”

For our spiritually adopted foster child Henry, that he might find a forever home.

That this traditional time of summer vacation may provide all a time of rest and an opportunity to spend more time with God and those closest to us.
